Dear Madam:

There is no opening in the University of Toronto that could be offered to you.

Yours sincerely,

Pres. University of Toronto.
Toronto, Canada.

My dear sir;

I am writing to inquire about any possible vacancy you may have in the English, French or German departments for the coming year.

Briefly stated, I received all of my preparation, and degrees from the University of Michigan, and having studied Abroad, I speak French and German fluently. For several years I have been at the head of these departments in colleges.

If you are interested, please allow me to submit references and recommendations.

Respectfully yours,

(Mrs.) Faye W. Moellering
